Effective February 1, 2002

Pursuant to Miss Code 97-25-3 (State Law), the recommendation of the Mississippi Public Service Commission and for uniformity of operations, Harmony Water Association, Inc. has adopted a Tampering Policy, effective February 01, 2002.

### **TAMPERING POLICY**

Water meters and water meter connections remain the property of Harmony Water Association. Should a water meter be disconnected or locked for non-payment, and during the time of disconnect or lockout the meter or meter connection is tampered with, a charge of \$100.00 will be assessed in addition to the reconnect fee.

Should tampering with a meter or meter connection occur the second time on the same account, a \$300.00 charge will be assessed in addition to the reconnect fee. The third time tampering occurs, the violator will be prosecuted to the fullest extent of Mississippi State Law.

Any member having questions about this policy should contact the Harmony Water Association office during normal business hours.

Sincerely,

Darrick Marshall  
President
